

# SATURN

## Revision History

### 1.01

- Hint if SATURN is started without any user configured for access to SATURN.
- Logging:
  - More detailed logging.
  - Additionally log the changing of access rights on DcDesk2000's side.
  - Log may be stored continuously in file.
  - Possibility to print out log.
- Checked if PC supports the fonts used by SATURN.
- Minor tweaks.
